

DIY MFA Fortune Teller

Instructions: Cut along the dotted line, then fold your DIY MFA fortune teller according the instructions on the blog (DIYMFA.com). When the tank runs dry, use the fortune teller to jumpstart your ideas.

For more DIY MFA: visit the website at DIYMFA.com and join the mailing list so you can receive **Writer Fuel**, a weekly email boost to help fuel your writing.

Inspiration:

Magenta

Inspire new ideas.

Engage the 5 senses or embrace the unexpected.

Orange

Action:

Put your ideas into action.
Try out your idea to see if it works. If not, try again.

Incubate your ideas.
Let your idea rest while you work on something else.

Development:

Evaluate your ideas.
Use outlines to test your story structure.

Brown
